

BRIEF CURRICULUM VITAE

Georgia TSAOUSI, MD, MSc, PhD

**Associate Professor of Anesthesiology, School of Medicine,
Faculty of Health Sciences, Aristotle University of Thessaloniki, Greece**

Department of Anesthesiology and Intensive Care Medicine

AHEPA University Hospital

Address: Stilponos Kiriakidi 1, 54636, Thessaloniki, Greece

Email: tsaousig@auth.gr & tsaousig@otenet.gr

Tel: +302310994855

Dr. Georgia Tsaousi received her medical degree from the Aristotle University of Thessaloniki, Greece in 1991. She completed her residency in Anesthesiology in 1996 and her subspecialty in Intensive Care in 2001 at AHEPA University Hospital of Thessaloniki. Dr. Tsaousi received her MSc degree in Medical Informatics and Research Technology from the Aristotle University of Thessaloniki (2000), while in 2008 she completed her PhD thesis on brain oxygenation/metabolism during cardiac surgery in the same University. She worked as Intensivist from 1999 to 2001 in St. Luke's private hospital and since then she works as Neuroanesthetist in AHEPA University Hospital. In 2013, Dr. Tsaousi was appointed as Lecturer of Anesthesiology (scientific interest in Neuroanesthesia) at Aristotle University of Thessaloniki, and thereafter she went through all the stages of her academic development up to her current post as Associate Professor.

Dr. Tsaousi has visited the Neuroanesthesia departments in: a) Anesthesiologische Universitätsklinik- Abteilung Anesthesiologie und Intensivtherapie, UNIVERSITÄTS KLINIKUM, Freiburg Germany (2011), b) National Hospital for Neurology and Neurosurgery (Queen Square), London, UK (2013), c) "La Sapienza" Hospital, Umberto I, University of Rome (2015), d) Lariboisiere University Hospital, Paris, France (2018) and e) Brescia University Hospital, Italy (2018). Furthermore, she worked for 6 months as Consultant in Neuroanesthesia Department of King's College Hospital, London, UK.

Dr. Tsaousi has a large area of interest in neuroanesthesia, with a particular research in brain injury, craniotomy and spine pain, cerebral oxygenation and metabolism, neuropharmacology and cognitive outcome. Furthermore, she has developed a special research activity in nutrition. She has conducted both preclinical and clinical research and has participated as national co-ordinator in one multicentre study and as local investigator in 7 multicentre studies. Dr. Tsaousi has an active collaboration with "La Sapienza" Hospital, University of Rome (Prof. F. Bilotta) and Valencia University Hospital (Prof. R. Badenes).

In short, her scientific work includes 67 publications in PubMed and Scopus (h-index 13 & 999 citations), 39 full-text articles in Greek peer-review journals, 2 chapters in foreign books and 17 chapters in Greek books. She has also made more than 120 presentations at scientific events and is active reviewer in 14 peer-review international journals and section editor of Hippokratia journal.

Dr. Tsaousi is a member of GMC with licence to practice, while actively participates in European Society of Anesthesiology, and Neuro Anaesthesia and Critical Care Society of Great Britain.
