**Zoe Apalla, MD, PhD**, was board certified in dermatology in 2008 at the Aristotle University of Thessaloniki, Greece. She was trained in Dermatopathology at the St John's Institute of Dermatology, St Thomas' Hospital, London in 2010, in Dermato-oncology at the Skin Cancer Unit of the Santa Maria Nuova Hospital in Reggio Emilia, Italy in 2011 and in Hair Disorders at the University of Bologna. She received her PhD degree at the Aristotle University of Thessaloniki in 2013.

Zoe Apalla is an Associate Professor of Dermatology-Venereology, in The Aristotle University of Thessaloniki, Greece and works at the Second Dermatology Department in "Papageorgiou" General Hospital. She is in charge of the Skin Cancer Outpatient Clinic, the Supportive Oncology Outpatient Clinic, and the Psoriasis and General Dermatology Outpatient Clinics. Furthermore, she is involved in the educational and training program of the Dermatology residents and the Medical students attending the Department.

Her main research fields include skin oncology, skin imaging and inflammatory dermatoses. She has published more than 180 peer-reviewed scientific articles in international journals (h-index 38, Google Scholar). She has participated as a principal investigator, as well as a sub-investigator in numerous clinical trials. She has participated as a co-author in many dermatology books published in English and Greek literature, and she has lectured at many international and national congresses and meetings. She has received the GCP certificate.

Zoi Apalla is a Co-founder and the General Secretary of the Hellenic Dermoscopy Society and Section Editor of the "Dermatology Practical and Conceptual" Journal.

She is an elected Board member of the International Dermoscopy Society, a regular member of the European Academy of Dermatology and Venereology, a regular

member of the European Association of Dermato-oncology, and several National and International Dermatologic Academies and Scientific Associations.
