EDUCATION AND CAREER

I was born in Thessaloniki in 1972. I have graduated the 2nd lyceum of Evosmos and subsequently after participating to the nationwide Greek written exams I became a medical student in Aristotle University of Thessaloniki in 1990. I have qualified from Medical School on the 06/1996 with a degree of VERY GOOD, and an a ECTS scholarship (for 8 months as a medical student in Medical School of Perugia-Italy).

Clinical Attachment abroad, Rural & Military Service:

As a qualified doctor I have worked for 2 months (1/9/1996 – 31/10/1996) to the liver unit of Queen Elisabeth Hospital of Birmingham, United Kingdom. As a trainee in general practice to Nevrokopi-Volaka Drama, Greece for 12 months (11/11/1996- 10/11/1997). As a medical officer for 18 months 24/1/2000 - 24/7/2001.

Specialty in Obstetrics and Gynecology:

I have obtained my CCST in Obstetrics and Gynecology in 2005 after undergoing written and oral exams. I was trained in recognized centers of Greece and Great Britain as follows:

- Served as an SHO (senior house officer) in General Surgery for 12 months (1997 to 1998) in the First Surgical Clinic of General Hospital of Drama, Greece.
- Served as Supernumerary SHO in Obstetrics and Gynecology for 12 months from 1998 to / 1999 in Obstetrics & Gynecology in G.N.N. Xanthi, Greece.
- Served for 16 months as a Senior House Officer in Obstetrics and Gynaecology (1/8/2001 to 4/12/2002) to the hospital Dumfries & Galloway, Scotland and to the University Hospital of Edinburgh (Royal Infirmary of Edinburgh), Scotland.
- Served as a Registrar in Obstetrics and Gynecology for 17 months (5/12/2002 to 30/11/2003 and 5/10/2004 to 05/03/2005) to the Wishaw General Hospital, Scotland.
- Completed the required training period (15 months) to obtain the title of specialist Working as a trainee in the University Clinic of Obstetrics and Gynecology of Aristotle University of Thessaloniki, from 15/1/2004 to 18/9/2005.

Appointments as a qualified Obstetrician Gynecologist abroad - Scientific Associate in University clinics - Academic positions:

- I have worked as a qualified obstetrician gynecologist to the Wishaw General Hospital of Scotland in the capacity of a registrar from 1/11/2005 to 28/2/2006 (4 months).
- From the 6/10/2005 to the 30/11/2006 (13 months) I have worked to the 3rd University Obstetrics and Gynecology clinic of Aristotle University.
- From the 7/5/2007 to the 05/2011 (4 years) I have worked to the 2nd University Obstetrics and Gynecology clinic of Aristotle University.
- From 05/2011 onwards I have worked as a lecturer to the 2nd University Obs&Gyn clinic of Aristotle University and since 10/2015 as an Assistant Professor in the same department.

Current appointment:

- Assistant Professor in obstetrics and gynecology to the 2nd University Obs&Gyn clinic of Aristotle University. Since 01/2021 I was elected as Associated professor in Obstetrics and Gynecology.

SUB-SPECIALTY TRAINING/FELLOWSHIP-QUALIFICATIONS

- **Family Planning:** Department of Obstetrics and Gynecology, Wishaw General Hospital Glasgow, Scotland, during my training as a Registrar from 5/12/2002 to 30/11/2003 I have completed my logbook and after written exams I was awarded the Diploma in Family Planning from the Royal College of Obstetricians and Gynecologists (DFFP).
- **Colposcopies** 1/11/05-28/2/06: I have started my training in colposcopy during my specialty training appointment for 5 months and continued for another 4 months after obtaining the specialty qualification in Wishaw General Hospital, Glasgow Scotland. My training consisted of completing a log book of 160 cases, and exams to the Royal College of Obstetrics and Gynecology. I have Obtained the BSCCP diploma and the Diploma in colposcopy from the Greek Society of Colposcopy and Cervical Pathology. I am also certified trainer for colposcopy from the RCOG.
- **Ultrasound** 1/11/05-28/2/06 & 19/5/06-25/9/06. I was trained during my specialty training for 17 months and also for 4 months after specialty qualification to the obstetric ultrasound in Wishaw General Hospital, Glasgow Scotland which is a recognized centre for training from the RCOG. The training consisted of log book under supervision in one of the busiest hospitals in UK with 6000 deliveries. My training continued to the 1st University Clinic of Obs&Gyn Papageorgiou Hospital which is arecognised training centre for ultrasound for the Greek Ministry of Health. After exams I was awarded the Certificate of competence in Ultrasound by the Greek Society and the certificates of Competence in the ultrasound of 11-14 weeks, the Ultrasound of 20-22 weeks from the FMF (Fetal Medicine Foundation).
- **Endoscopies (laparoscopy and hysteroscopy) 18 months in total.** After completing my specialty training I was trained for 1 month in Katholieke Universiteit Leuven in Belgium (from 2-10-2006 to 27-10-2006 in laparoscopy) and for 3 months (19-31/3/2007, 3-16/12/2007 και 1/10/2013-30/11/2013) to the endoscopic centre of Univeristy of Targu-Mures in Romania. I was trained for 6 months to Clermond Ferrand, France. After exams I was awarded the European Diploma of Gynecologic Endoscopy from the University of Auvergne France, the MINIMALY INVASIVE GYNAECOLOGICAL SURGEON DIPLOMA by ESGE. I was also trained for 7 months in minimally invasive surgery and laparoscopic treatment of endometriosis to the University Obs&Gyn clinic of Hospital San Giovanni di Dio, University of Cagliari (21/9/2008-4/10/2008, 23/2/09-7/3/09 and from 1-9-2017 to 28-2-2018). Finally for one month I was trained to Maidstone and Tunbridge Wells NHS Trust, Gynaecological Oncology Department, England.
- **Subspecialty in Human reproduction** I was subspecialized for 37 months (3 years) in Human Reproduction to the unit of human reproduction of the 1st University Department of Obstetrics and Gynecology of Aristotle University of Thessaloniki from 1.11.2013 to 31.12.2016. The centre is certified by ESHRE and my training was under supervision and log book completion involving all aspects of the subspecialty (counselling of infertile couple, monitoring of ovarian stimulation, ultrasound examination of uterus and ovaries, IUI, follicle retrieval, embryo transfer etc).
