

BRIEF CURRICULUM VITAE Efimia Papadopoulou-Alataki, MD, PhD

Professor in Pediatrics/Pediatric Immunology, School of Medicine, Faculty of Health Sciences, Aristotle University of Thessaloniki, Greece

4th Department of Pediatrics , Papageorgiou General Hospital,

Address: Ring Road N. Efkarpia 56403 Thessaloniki, Greece

Email: papadoef@auth.gr

Tel: +30 6977813869

Graduation year

1980: Medical Degree, School of Medicine, Faculty of Health Sciences, Aristotle University of Thessaloniki

Residency program

1983-1988: Assistant, Speciality of Pediatrics, 1st Department of Pediatrics Ippokration General Hospital, School of Medicine, Faculty of Health Sciences, Aristotle University of Thessaloniki

Postgraduation studies

1985-1989: Doctorate (PhD) in paediatric immunology. Scholarship by State Scholarships Foundation of Greece (IKY).

Fellowship

1993-1999: Research Fellow, 1st Department of Pediatrics Ippokration General Hospital, School of Medicine, Faculty of Health Sciences, Aristotle University of Thessaloniki

Visits in Foreign Department and Universities

1989-1992: Postdoctoral research training in Pediatric Immunology, Medizinische Hochschule, Hannover, Germany

12/2009-03/2010: Research Fellow, Immunology Department, Great Ormont Street Hospital for children, London, UK

23-24 May 2019: Invited lecturer in Ternopil National Medical University, Ternopil Ukraine.

Scientific Symposium with International Participation<<PrimaryImmunodeficiencies.- from the Fetus to the Elderly>>

Main research activities

Pediatric Immunology, Primary Immunodeficiencies, Autoimmunity, Autoinflammatory diseases in childhood, Vaccines.

Career milestones

1992-1999: Pediatrician in Social Security Organization of Greece (IKA)-primary health care

1999 - 2006: Consultant in Pediatrics, Papageorgiou General Hospital Thessaloniki, Greece

Faculty

- 2006-2010: Lecturer in Pediatrics/ Pediatric Immunology, School of Medicine, Faculty of Health Sciences, Aristotle University of Thessaloniki
- 2010-2016: Assistant professor in Pediatrics/Pediatric Immunology, School of Medicine, Faculty of Health Sciences, Aristotle University of Thessaloniki
- 2016- 2020: Associate professor in Pediatrics/ Pediatric Immunology, School of Medicine, Faculty of Health Sciences, Aristotle University of Thessaloniki
- 2020-today: Professor in Pediatrics/Pediatric Immunology, School of Medicine, Faculty of Health Sciences, Aristotle University of Thessaloniki

International collaborations

- 1) "PedPAD study"-Clinical and laboratory characteristics of children with hypogammaglobulinemia as documented in the ESID (European Society for Immunodeficiencies) online Registry ESID online patient and research database network
- 2) "CVID subregistry analysis" Epidemiology, clinical presentation and treatment of patients with Common Variable Immunodeficiency as documented in ESID (European Society for Immunodeficiencies) online patient and research database network
- 3) "UnPad Study"-Unclassified Antibody Deficiency in the European Society for Immunodeficiencies (ESID) Registry.
- 4) International study of hypogammaglobulinemia in Di George syndrome Children's Hospital of Philadelphia and the American and European Society for Immunodeficiencies (USIDNET, ESID)
- 5) Paediatric Rheumatology International Trials Organisation (PRINTO) «Eurofever Project»
- 6) Scientific Committee for ADDI: Autoinflammatory Disease Damage Index.
- 7) Greek Investigator in Scientific Organisation IOS: Icatiban Outcome Survey (Hereditary Angioedema data collection)
- 8) Scientific Agreement between AUTH & Ternopil National Medical University AUTH International Relations Dept Ambassador: Prof E. Papadopoulou-Alataki

Publications

Number in peer review journals: 47

H-Index : 16

Books and chapters: 27

Member position in international scientific societies

- 1) European Society of Immunodeficiency (ESID)
- 2) Paediatric Rheumatology INternational Trials Organisation (PRINTO)
- 3) Pediatric Rheumatology European Adssociation (PReS)
