Dr. Theodoros Karapanayiotides MD, PhD is Associate Professor of Neurology affiliated with the 2<sup>nd</sup> Department of Neurology of Aristotle University of Thessaloniki since 2013. He graduated from the School of Medicine of Aristotle University of Thessaloniki in 1993. He obtained his specialization in Neurology in 2002 after a 5-year residency at the 1<sup>st</sup> Department of Neurology, AHEPA University Hospital (Chair: Prof S.Baloyiannis).

He was trained as a doctoral fellow in vascular neurology and neurosonology in the Neurology Department of Centre Hospitalier Universitaire Vaudois, Lausanne. Currently he is in charge of the neurosonology lab, the stroke unit and the stroke and migraine outpatient clinics of the 2<sup>nd</sup> Department of Neurology at AHEPA University Hospital. His main fields of interests are cerebrovascular diseases and neurosonology.

He has authored 70 papers in peer-reviewed journals (Citation index: 1050, Impact factor: 560, h-index: 17). Some of his papers on diabetes, reperfusion syndrome post carotid endarterectomy and arterial wall imaging are considered classical references.

Dr. Karapanayiotides is assistant editor in BMC Neurology and member of the editorial board of European Neurology. He is Fellow of the European Stroke Organisation (ESO) and member of the ESO Brain and Heart Council.
