EDUCATION

I was born in Kilkis in 28th of May 1960 and graduated from high school in 1978 (Male High School of Kilkis, "Practical Section"). I was entered in School of Dentistry of Aristotle University of Thessaloniki (AUTH) from which I graduated in March 1985. The September of the same year, I was entered in Medical School of AUTH and got my degree in Medicine in November 1988.

In December 1984 I joined the Greek Army and fulfilled my military service a year later.

In March 1989 I was appointed as a doctor to the regional medical center of Efkarpia in Serres, until March 1990.

In order to obtain the specialty of Obstetrics and Gynecology I worked as a resident doctor at the following clinics:

From April 1990 to April 1991 at the 2nd Surgical Department of AUTH, at "George Genimatas" Hospital of Thessaloniki.

From June 1991 to July 1993 at the Department of Obstetrics and Gynecology of General Hospital of Kilkis.

From July 1993 to July 1995 at the 3rd Department of Obstetrics and Gynecology of AUTH, at "Hippokration" General Hospital of Thessaloniki.

In August 1995 I obtained the specialty of Obstetrics and Gynecology.

From January 1994 to January 1995 I was trained in transabdominal and transvaginal ultrasound (12 months) at the 3rd Department of Obstetrics and Gynecology of AUTH, at "Hippokration" General Hospital of Thessaloniki.

In March 1997, I went to the city of LEUVEN Belgium, where I was educated in Laparoscopic Surgery and Human Reproduction – in Vitro Fertilization, in the Centre for Surgical Technologies, Faculty of Medicine and in University Hospital «Gasthuisberg», Katholieke Universiteit of Leuven, until May 1997. I also participated in a research project entitled: "Comparison between single and digital video camera in Laparoscopic Surgery: Bilateral nephrectomy in rabbits". In addition, I attended a seminar including theoretical and practical training in Laparoscopic lymphadenectomy of axillary and groin area.

In April 1998 I successfully fulfilled my PhD studies on "The role of insulin activity of aromatase in vivo" at Medical School of the Aristotle University of Thessaloniki.

From September 1995 to December 2004 I worked as a Research Fellow at 3rd Department of Obstetrics and Gynecology in AUTH, where I participated in the educational program of Medical School of the 5th and 6th year of studies. I also participated in the scientific and clinical program of the Department.

From December 2004 to December 2008 I served as a Lecturer of Obstetrics and Gynecology AUTH in 3rd Department of Obstetrics and Gynecology, "Hippokration" General Hospital of Thessaloniki, School of Medicine, Aristotle University of Thessaloniki.

In September 2005 I attended the Instructor Training Program of Medical School of AUTH (academic year 2005-2006).

From February 2008 to February 2014 I served as an Assistant Professor of Obstetrics and Gynecology AUTH in 3rd Department of Obstetrics and Gynecology, "Hippokration" General Hospital of Thessaloniki, School of Medicine, Aristotle University of Thessaloniki.

From February 2014 to October 2018 I served as a permanent Assistant Professor of Obstetrics and Gynecology AUTH in 3rd Department of Obstetrics and Gynecology, "Hippokration" General Hospital of Thessaloniki, School of Medicine, Aristotle University of Thessaloniki.

From October 2018 to September 2019 I served as a permanent Assistant Professor of Obstetrics and Gynecology AUTH in 2nd Department of Obstetrics and Gynecology, "Hippokration" General Hospital of Thessaloniki, School of Medicine, Aristotle University of Thessaloniki..

From September 2019 till today, I serve as a Professor of Obstetrics and Gynecology AUTH in 2nd Department of Obstetrics and Gynecology, "Hippokration" General Hospital of Thessaloniki, School of Medicine, Aristotle University of Thessaloniki.
