

Curriculum Vitae

Stylios Apostolidis, MD, PhD

General Surgeon

professor of Surgery A.U.T.H.

Personal data

Name: **Stylianos**
Surname: **Apostolidis**
Date of birth: 3rd June 1958
Place of birth: Goumenissa, Kilkis, Greece
Residence: Thessaloniki, Greece
Address: 40, Ethnikis Aminis str, 54622
Phone: +302310999366, +306944463414
Email: stlsa@med.auth.gr
Marital status: Married, father of two children

Education- Studies -Titles

High School: 1976
Diploma: Medical School, Aristotle University
Thessaloniki, Greece, 1984
Medical specialty: General Surgeon, 1993
Doctoral (PhD): Medical School, Aristotle University of
Thessaloniki, Greece, 1997
Lecturer of Anatomy: Laboratory of Anatomy, Medical School,
Aristotle University of Thessaloniki, 1999
Assistant Prof of Anatomy: Laboratory of Anatomy, Medical School,
Aristotle University of Thessaloniki, 2004
Instructor ATLS (Advanced Trauma Life Support, ACS): 2006
Associate Prof of Anatomy: Laboratory of Anatomy, Medical School,
Aristotle University of Thessaloniki, February
2009-2017
Current position /Profession: Professor of Surgery, A.U.TH.
General Surgeon, Private medical sector

Dissertation- thesis

«The Effect of Blood Transfusion on Healing of anastomoses of the small and large intestines of experimental animals», July 1997

Scientific collaborator: 1993-2008 at the 1st Propedeutic Surgical Department, AHEPA, University Hospital Thessaloniki, with participation in all clinic activities (surgical procedures, stay on duty, teaching).

After my election as lecturer of anatomy this collaboration continued and I participate in teaching surgery and surgical anatomy at the postgraduate courses of the 1st Propedeutic Surgical Department of AHEPA University Hospital. I also took part in performing advanced and demanding surgical operations.

1995-1999: I worked as surgeon at the emergency department of first aid station of IKA foundation at Thessaloniki.

Since 2002, I work at a private Hospital at Thessaloniki, performing independently as first surgeon, a large number of a broad spectrum of advanced and demanding surgical operations, open and laparoscopic, having the responsibility for the perioperative treatment and monitoring of the patients. I also continued for this period to be on call duties.

2004-2005: Completed a six months course of “**Education for the Educators**” conducted by the Medical School of the Aristotle University of Thessaloniki.

On 2016 received an excellent commendation of teaching from the dean of Medical School of the Aristotle University of Thessaloniki.

Attended Postgraduate Courses

- 1991-1992: One-year postgraduate course in Vascular Surgery, Hellenic Society of Vascular Surgery.
- 1994-2008: One-year postgraduate courses of Surgery, Surgical Society of Northern Greece.
- 1999: International workshop of advanced laparoscopic surgery, Aristotle University of Thessaloniki in cooperation with Tufts University of USA.
- 2001: Zentrum of Anatomie, Koln University, Koln, Germany, “Functional anatomy and biomechanic of the foot” for a month.
- 2002: Course of advanced laparoscopic surgery, Hopital Cantonal, Friburg, Switzerland 9-20/1/2002.
- 2006: Course of ATLS and ATLS diploma, Patras, Greece.
- 2006: Instructors of ATLS courses, diploma.
- 2008-2012: Postgraduate annual courses of the Hellenic Society of Large Bowel and Anal Surgery.
- 2009: Cervical spine hands on course, Thessaloniki, Greece.

- in General anatomy, Anatomy I, Anatomy II and Anatomy III for students of the 1st, 2nd, 3rd and 4th semester respectively
- in elective course «Functional Anatomy» 6th semester
- in elective course «Sports medicine» with topic “sports hernia” 6th semester

Teaching in Postgraduate Programs - Master of Science (MSc)

1. In MSc: Medical informatics

Functional morphology

2. In MSc: Medical Research Methodology

Clinical and functional anatomy

Surgical oncology

Surgical anatomy

3. In MSc: Sport health

Descriptive anatomy

Evaluation of thoracic, abdomen and pelvic injuries

4. In MSc: Techniques of Extracorporeal Circulation –Technology of Cardiovascular devices: Venous system

5. In MSc: Clinical and Surgical Anatomy (Applied Anatomy)

Surface anatomy of upper and lower abdomen

Topographic anatomy of upper and lower abdomen

Surgical anatomy upper and lower abdomen

Surface anatomy of pelvis and perineum

Surgical anatomy of pelvis and perineum

6. **In MSc: Surgical Anatomy, Duth**

7. **In MSc: Surgery of large intestine, Uoth**

8. **In MSc: Surgery of the pelvis, Uoth**

I also participate in the examinations and evaluation of the undergraduate and postgraduate students.

- **On 2016 received an excellent commendation of teaching from the dean of Medical School of the Aristotle University of Thessaloniki.**

Instructor in postgraduate courses of surgical societies

- Trauma management and treatment in ATLS courses since 2006 twice a year.
- Advanced laparoscopic and open surgery in workshops, courses of surgical anatomy and postgraduate courses of the Surgical Society of Northern Greece, Hellenic society of Large Bowel and Anal Surgery.
- Stabilization and transportation of injured athletes in workshops of Hellenic Sports Medicine Society courses.

Member of PhD counseling committees-Research

Member in 9 PhDs advisory committees

Member in 6 PhDs examining committees

Member in one examining committee for Master thesis

Writing book chapters- Medical syllabus

Writer of chapters concerning surgical diseases, their diagnosis, treatment and surgical procedures 14 times, in different Surgical Scientific Books.

Memberships

- Member of
 - Surgical Society of Northern Greece
 - -Hellenic Trauma Society
 - -Hellenic Society for the Early Diagnosis and Treatment of Breast Cancer
 - -Medical Society of Local Treatment of Cancer
 - -Hellenic Hernia Society
 - -International Colorectal Club
 - -Hellenic Sports Medicine Society
 - -Hellenic Society of Large Bowel and Anal surgery
 - -European federation of Sports Medicine Associations-EFSM
 - International Federation of Sports Medicine-FIMS
 - European Society of Coloproctology

University Professor Elector Committees-University Administration

- Multiple times member of elector committees for University Lecturers, Assistant and Associate Professors at the AUTH, University of Athens, Democritus University of Thrace, University of Thessaly.
- Member of committee for the reconstruction and reformation of pre-diploma educational program of Medical School of A.U.TH

Lecturer and speaker

70 times as speaker in Greek and international Congresses, Medical Symposiums, Medical and Surgery postgraduate Courses, in the field of my expertise (Anatomy, Surgical Anatomy, Surgical Procedures, Advanced Laparoscopic procedures, Sports medicine, abdominal Surgery, Oncologic Surgery, Colorectal and Anal Surgery).

Member of Congresses Organizing Committees

9 times member of Organizing Committees of Greek Medical and Surgical Congresses and Workshops

Peer Reviewer for International Medical Journal

Journal of Medical Case report

Saudi Journal of Gastreterology

World Journal of Surgical Oncology
