Email gefsi@auth.gr

Dr. Gesthimani Mintziori graduated from the Medical School of the Aristotle University of Thessaloniki in 2004. Immediately afterwards, she completed the postgraduate program [MSc(Res)] of the Medical School of the Aristotle University of Thessaloniki on Medical Research Methodology (2006). She was awarded a doctorate with distinction by the Aristotle University of Thessaloniki in 2014 and later a post-doctoral research fellowship by the National Scholarships Foundation (2019-2021).

She has authored numerous scientific papers in international journals and her works have been awarded at European and International conferences. She has also received the Scholarship of Excellence for Doctoral Candidates of AUTH and a Postdoctoral Research Scholarship by the State Scholarships Foundation. She is an Associate Editor of the journal Endocrine and senior editor and a member of the editorial team in other journals in the field of Endocrinology and Reproduction. She was a founding member and a Chair of the European Young Endocrine Scientists (EYES), a member of the education committee, the clinical committee and the executive board committee of the European Society of Endocrinology (ESE). She is now a member of ESE Reproductive Endocrinology Focus Group and Early Career Taskforce. She participates as a tutor in the Pre-graduate as well as Postgraduate Programs of the Aristotle University of Thessaloniki Medical School (MSc in Medical Research Methodology, MSc in Human Reproduction, MSc in Fetal Maternal Medicine, MSc in Precision Medicine,). In 2021 she joined AUSoM Faculty as a Reader.
